Education

Sep. 2002–Sep. 2006	PhD Psychology Visual Word Recognition	University of Warwick
Sep. 1999–May 2002	BSc Combined Honours Mathematics and Psychology, First Class Honours	University of Liverpool

Posts Held

Aug. 2013–	Associate Professor	University of Warwick
Aug. 2010–Jul. 2013	Assistant Professor	University of Warwick
Aug. 2007–Jul. 2010	Research Fellow	University of Warwick
Apr. 2007–Jul. 2007	Associate Fellow	University of Warwick
Dec. 2005–Mar. 2007	Research Fellow	University of Warwick
Sep. 2002–Sep. 2005	Postgraduate Research Fellow	University of Warwick

Awards

2002	Combined Honours Prize (examinations)
2000, 2001	Gibson Sinclair University Scholarships (exam. prize)

Funding Awarded

Mar. 2014–June 2017	Leverhulme Trust, principal investigator	£253,912 (direct costs only) (ca. US\$415,000)
	<i>The easyNet system for implementing and visualizing cognitive models</i>	This (open competition) grant on which I was principal investigator funded one post-doctoral researcher and one PhD student.
Oct. 2007–Oct. 2008	ESRC, principal investigator	£81,075 (80% of FEC) (ca. US\$160,000)
	<i>Information and time in absolute identification</i>	This (open competition) small grant on which I was principal investigator funded one post-doctoral researcher.
Aug. 2007–Jul. 2010	ESRC, principal investigator	£405,705 (80% of FEC) (ca. US\$800,000)
	<i>Individual differences in word naming: Models and data</i>	This (open competition) standard grant funded one post-doctoral researcher (myself as principal investigator) and a research assistant.
Dec. 2005–Nov. 2006	ESRC, co-investigator	£43,743 (direct costs only) (ca. US\$70,000)
	<i>Contextual diversity: Word processing as memory retrieval</i>	This (open competition) small grant with Gordon Brown (who was principal investigator) funded one post-doctoral researcher (myself as co-investigator).

ESRC = Economic and Social Research Council. Exchange rates are contemporary to the awards.

Adelman, J. S., Brown, G. D. A., & Quesada, J. F. (Nov. 2005). Contextual diversity not word frequency determines word naming and lexical decision times. Poster at the 46th Annual Meeting of the Psychonomic Society. Abstracted in *Abstracts of the Psychonomic Society, 10*, 80–81.

Adelman, J. S., Quesada, J. F. & Chater, N. (Aug. 2005). *Frequency judgments are diversity judgements*. Talk by Quesada at the 38th Annual Meeting of the Society for Mathematical Psychology.

Teaching Experience

Words and Reading (3) Complete course (2013/14).

Individual Differences (2) Intelligence (2012/13).

Research Methods in Psychology (1) Convenor (2010–2014).

Second Year Project, Third Year Project (2, 3) Project supervisor.

Advanced Qualitative and Quantitative Methods in Psychology (M) Various lectures (2008-2010);
Convenor (as sabbatical cover, 2007/08).

Practical Research Skills for Psychology (M) Programming (2006).

Methods in Psychology I (1) Teaching assistant for practical component of the course. (2002–2005).

Research Students I am currently supervising two PhD students in their final year and have previously co-supervised two, now completed.

Researchers Supervised (those employed on grants)

Duncan Guest now faculty at Nottingham Trent University.

Maura Sabatos-DeVito now doctoral student at UNC Chapel Hill.

Suzanne Marquis now student disability assessor for Chace.

Professional Training

Postgraduate Certificate in Academic and Professional Practice University of Warwick.

Consultancy

Mercer Oliver Wyman Analysis of CV and interview rating data to predict consultant performance

Business Development Research Consultants Structural equation modelling of mortgage survey data

Service and Administration

Co-chair MathPsych/ICCM 2017: The 50th Annual Meeting of the Society for Mathematical Psychology, the European Mathematical Psychology Group, and the 15th Annual Meeting of the International Conference on Cognitive Modelling [Joint meeting].

Reviewing (grants) National Science Foundation (US); *Member, ESRC Peer Review College; Leverhulme Trust.*

Editorial board Behavior Research Methods

Reviewing (journal articles) Psychological Review; Psychological Science; Journal of Experimental Psychology: General; Psychonomic Bulletin & Review; Quarterly Journal of Experimental Psychology;

Acta Psychologica; Canadian Journal of Experimental Psychology; British Journal of Psychology; Experimental Psychology; Cognition; Cognitive Psychology; Journal of Experimental Psychology: Human Perception and Performance; Journal of Experimental Psychology: Learning, Memory, and Cognition; Journal of Memory and Language; Language and Cognitive Processes; Memory & Cognition; Journal of Cognitive Psychology; Developmental Psychology; British Journal of Educational Psychology; Research in Mathematics Education; Emotion; Brain and Language; PLoS ONE; Behavior Research Methods; Cortex; Connection Science

First Year Exams Secretary BSc Psychology (2015–)

Course director MSc Psychological Research (2013–).

Member Postgraduate Supervisory Committee (2013–; now Postgraduate Studies Committee).

Co-ordinator Postgraduate Teaching Assistants (2012–).

Member Teaching Quality and Curriculum Review Committee (2011–; now Undergraduate Studies Committee).

Member Shortlisting Committee, Assistant Professor posts (2011).

Organizer Undergraduate participant panel (2010–).

Organizer Internal Seminar Series (2009–2014).

Organizer Cognitive Reading Group (2003–2008).

Secretary Postgraduate Staff-Student Liaison Committee (2003/2004).
